And yes, you read that right, we're taking the show on the road to merry old England where a whole new audience eagerly awaits the full details and an opportunity to see and hear the faMaus "similar trees are the same model tree" fiasco. So you're gonna be real inner-gnash-null now!

And say, are my eyes playing tricks on me or are you very delinquent in posting the last several emails that slapped you silly for your inept "research" and bogus talking points, etc.?

Keeping my promise to make you guys even more...faMaus!
